

# **COVID-19 GUIDELINES**

## **RRVCC COIN SHOW**

**(November 21, 2020)**

We are implementing several precautions this year to prevent the possible spread of COVID-19 to Dealers, Club Members, and Attendees. We ask for your support of these measures to ensure a safe environment for everyone attending. If you are not inclined to follow these guidelines, we recommend that you forego purchasing a table for this show.

- Masks are to be worn by dealers while moving about the bourse floor. You may elect to remove your mask while seated at your table.
- Masks are to be worn by Club Members and Attendees while moving about the bourse floor. They may remove their masks while seated at your table, with your approval.
- Bourse tables will only be placed around the perimeter of the room to assist in social distancing.
- Each Bourse table will allow for a minimum of 6 feet of distancing between the front of your bourse table and the dealer seating area. (You have the option to move your chair closer if you choose – you are in control of the distancing)
- Tape will be used on the floor to box out 6' by 8' in front of each Bourse Table. We ask that only 1 customer be in the "BOX" at a time. (If you purchase two tables, you will have 2 "BOXES")
- Hand sanitizer stations will be located on the bourse floor.
- We will not have a registration table. This is to eliminate any congestion on the bourse floor.
